++ Valid for broadcast between 1800 and 0600

Headline:
Some clear or sunny spells, widespread overnight frost.

This Evening and Tonight:
Any coastal showers will soon die out to leave a mostly dry night with some clear spells. Remaining cold with a widespread moderate frost developing across the region. Minimum temperature -5 deg C (23 deg F).

Sunday:
After a very frosty start, it will remain cold but mostly dry with bright or sunny spells, although the odd light coastal shower can't be ruled out. Maximum temperature 4 deg C (39 deg F).

Outlook for Monday to Wednesday:
Monday cold but mostly dry with sunny spells. Tuesday and Wednesday generally cloudy with rain and hill snow, and snow likely to low levels for a time on Tuesday.
